

The Dennis Puleston Osprey Fund

The Dennis Puleston Osprey Fund was established to encourage research about ospreys on Long Island, improve their nesting opportunities and educate the public about them. The Fund recognizes that for ospreys to be successful they must have a viable and healthy habitat in which to live, an objective that Dennis clearly understood and supported.

Thank you for your generous support of the Dennis Puleston Osprey Fund!

I am / We are pleased to support the efforts of the Dennis Puleston Osprey Fund. Enclosed is a contribution in the amount of:
